

## CODING IS AWESOME

After trying to teach myself how to code for the last year or so via online courses such as Udemy I decided to quit retail to make a full time commitment to becoming a Web Developer. This has been one of the best decisions I have made! I am really excited to join a team of talented Developers and continue learning.

## TECH SKILLS

- React
- React Native
- Firebase
- Node.js
- SCSS
- JavaScript ES6
- Ruby on Rails
- CSS3
- React
- jQuery
