

CODING IS AWESOME

I'm a junior web developer who enjoy coding. I am a quick learner and self motivated learner. As a junior developer, I believe that my best advantage is that I am always learning, and I love new technology. I am a team player, I love working in a team. I always challenge myself to do better, and most important enjoy coding.

TECH SKILLS

- JavaScript
- Ruby on Rails
- CSS
- React
- jQuery
